SO WHAT?

VIDEO | Sing, Episode 2

- **INSTRUCTIONS:** Play this week's [teaching video](#).

SCRIPTURE Psalm 23

- **INSTRUCTIONS:** Look up the passage in your Bible and encourage the kids to do the same. Read it!
- **Does anyone remember who King David is? Does anyone remember what his job was before he became king?**
- That's right, David used to be a shepherd. So he knows what he's talking about when he describes how a shepherd takes care of their sheep in this psalm.
- The shepherd makes sure the sheep have food and water. The shepherd makes sure the sheep stay on the right paths. The shepherd protects the sheep from harm.
- God loves us and takes care of us the same way a shepherd loves and takes care of sheep. Sheep don't always know how to take care of themselves, so they always need a shepherd looking out for them. We are all a lot like sheep because we need help sometimes, too. Good thing we have a great shepherd like God to take care of us!

SCRIPTURE | Philippians 4:6-7, 19 ▲

- **INSTRUCTIONS:** *Look up the verse and read it!*
- God cares about the things we are worried about. But instead of worrying, we can feel safe and secure because God watches over us!
- Whenever we have a problem, God can help us solve them! Whenever we need something, we can trust God to help us out.
- Sometimes, God's help doesn't look exactly as we'd expect, but we can always trust God will take care of us.
- I am safe because God watches over me!

NOW WHAT?

REFLECTION | People Who Watch Over Me ▲

- Think about the people God has put in your life to take care of you. **Who are they? And how do they take care of you?**
