### Discussion questions

**01** Talking about porn can be an uncomfortable, awkward conversation. Spend a little time setting some ground rules for conversations. Do your best to sprinkle your conversation with grace.

**02** Do you agree with the assertion that media has become more and more sexualized? Why or why not?

**03** Spend some time discussing God's design for sexuality. What are some benefits of embracing God's design? What are some difficulties in doing so?

### Diving deeper

Read **Genesis 6**. Noah lived in a world of extreme corruption and brokenness, to the point where God chose to wipe out that world (luckily, he promised not to do that again). Yet, Noah still lived in an upright and righteous way. Take encouragement in Noah's consistency and strength in hard times. Noah was also human. If you continue reading in Genesis 9, you'll see a man who needs God's grace as much as you or me.
