

FWC FIRE OF GOD GAL 2:20

Involvement Guidelines/Waiver

Snowfest 2022

- All leaders MUST have a clear background check by the time of involvement.
- Youth group includes ONLY 6th grade - 12th grade students up to graduation.
- A student is given one warning for verbal violence, and, at the second violation, a parent/guardian will be contacted for a student to be sent home.
- Friendship Wesleyan Church representatives are committed to making sure your teen is constantly safe during our events. In order to maintain that goal, at no time will a teen be outside of a representative's clear sight. If a student doesn't maintain respect for this guideline parents will be called and the student will be sent home.
- All teens who attend an event or class are required to stay with the group throughout the course of the event or class, unless a parent/guardian arranges otherwise directly with a leader at the event or class.
- Students who are physically violent or physically inappropriate in any way, both parents/guardians of the victim(s), and those of the abuser(s), will be contacted immediately. If both parties were physically involved, we have a "no-tolerance/no-violence" policy and all physically involved (protecting oneself or not) will be sent home from the event or class. Parents/guardians agree that Friendship Wesleyan (1285 102nd Ave., Plainwell, MI 49080), and all those who serve at Friendship Wesleyan Church, are released from all liability here forth. They also agree: if Law Enforcement is required after an altercation, the parent/guardian is responsible to do so.

- In an emergency a parent/guardian agrees to allow Fire of God youth and Friendship Wesleyan Church leaders to call for an emergency response team or to take that student to an emergency room. Leaders will attempt to contact a parent/guardian (meaning they will make a phone call to each emergency contact number) before making this decision, but in a moment of emergency, the leader will have the right to make such a call on the spot. All medical, or other, fees are the responsibility of the parents(s)/guardian(s).
